Thank you for choosing The Clever Chick Inn for boarding your poultry. Rest assured your birds will be cared for as if they were our own.

- ~ Your flock will have their very own Clever Coop with shavings bedding and attached run enabling them free access to scratch and explore.
- ~ They will be locked in every night and released each morning.
- ~ Cleaning and maintenance is paramount and a strict disinfecting regime is in place between lodgings.
- ~ All feed, water and bedding is included in our prices. If you have a specific feed you would like us to use, then please do bring it along with your flock.
- ~ Updates on your birds will be available via our Instagram/Facebook stories @theclevercoopcompany
- ~ Payment via BACS and cash. (Details listed on following pages).

*Should there be an outbreak of **Avian Flu**, there will be no bookings accepted and should your birds be staying with us at this time, they must be collected as soon as possible before a Government movement ban is put in place.*

~ An emergency contact number will be required for this reason ~

Please be aware that although every care and attention is given to your flock, The Clever Chick Inn will not be held responsible for the death or illness of any bird left for boarding. **All birds are boarded entirely at the owners risk and without any liability to carers at The Clever Chick Inn.** Should any illnesses show, we will treat accordingly or seek veterinary advice - you will be contacted for your approval before any treatment is undertaken. All fees incurred must be reimbursed upon your arrival.

A non-refundable 50% deposit is required at the time of booking. The remaining balance is to be paid when you drop off your birds.
